 69-73 Fan Shroud Bracket **Mounting 2 Piece Kit** includes 2 indented hex head sems washer bolts to mount the above to the radiator support. 1277173 2.20

74-Early 76 Fan Shroud Upper Mounting Brackets
 I LH Shroud Bracket **USA Rebro** 1277462 16.50
 J RH Shroud Bracket **USA Rebro** 1277464 16.50
 I LH Shroud Bracket **GM NOS** 1277305 20.00
 J RH Shroud Bracket **GM NOS** 1277306 20.00
 74-Early 76 Shroud Bracket **Mounting 4 Piece Kit** includes 4 indented hex washer head bolts required to mount both LH & RH upper shroud mounting brackets to the radiator support. 1277304 2.85

69-Early 76 Radiator Upper Saddle Mounting Brackets
 (K+L Brackets - if you want China imports at only 32.00 per pair please allow one week for their Special order)
 K 69-Early 76 LH Saddle Bracket **USA** 1277178 18.50
 L 69-72 350 RH Saddle Bracket **USA** 1277177 18.50
 L 69-72 427-454 RH Saddle Bracket or 73-E76 All RH Saddle Bracket **USA** 1277179 18.50

All of these Brackets are ...

Late 76-82 Upper Fan Shroud and Radiator Mounting Brackets

These parts include the radiator "saddle" mounting brackets and the shroud mounting brackets. Note: includes weld-nuts for the attachment of fan shroud bolts.

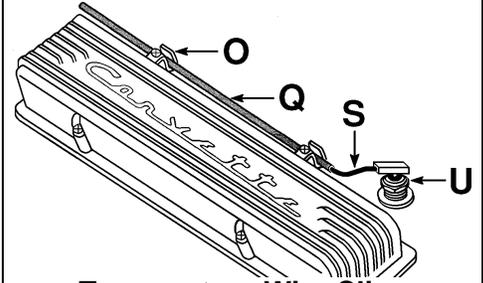

- M Late 76-82 LH Bracket **Repro** 1277420 21.00
- N Late 76-82 RH Bracket **Repro** 1277421 21.00
- M Late 76-82 LH Bracket **NOS** 1277400 30.00
- N Late 76-82 RH Bracket **NOS** 1277401 30.00

69-82 Radiator Saddle Mounting Kits

On Air Conditioned models, these kits also mount the upper AC condenser brackets.

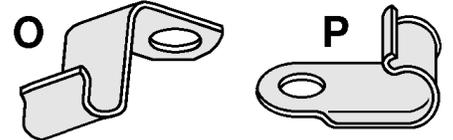

- 69-Early 76 without Air Conditioning Saddle Bracket **8 Piece Mounting Kit** 1277180 6.25
- Late 76-79 without Air Conditioning Saddle Bracket **9 Piece Mounting Kit** 1277181 7.75
- 69-72 with Air Conditioning Saddle Bracket **8 Piece Mounting Kit** 1277182 6.50
- 73-75 with Air Conditioning Saddle Bracket **12 Piece Mounting Kit** 1277183 7.75
- 76-82 with Air Conditioning Saddle Bracket **12 Piece Mounting Kit** 1277184 9.95

Temperature Sender

Temperature Wire Clips

These mounts the temperature wire to the valve cover.
 O 56-Early 60 Temp Wire Clips **Pair** 3386101 6.75
 P Late 60-67 Temperature Wire Clips **Pair** also use 68-69 427 with AC Solenoid Wiring or 72 LT-1 Carb Solenoid Wiring 3386102 7.00
 P Above Clip **NOS** even includes the BN logo and Phosphate plating **2 reqd** 3386119 22.50

Temp Wire Insulation

Our OEM Black lacquered woven covering for the temp wire is the **small 1/8" I.D.** not the oversized 1/4" replacement.

- Q 56-62 Temperature Wire Insulation 3386095 4.50
- R 63-78 Temperature Wire Insulation 3386100 4.50

Temperature Wire Lead

This lead has the authentic gauge wire & a White slotted plastic insulator. Ready to splice into the wiring harness.

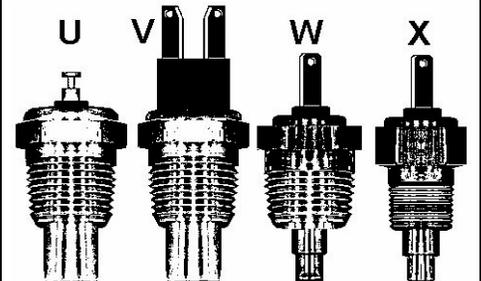

- S 56-62 Blue Temperature Wire Lead 1148098 7.00
- T 63-78 Green Temperature Wire Lead 1148099 7.00

Repro Temperature Senders

- 56 Temp **Sender** with Rod like terminal 1148112 27.00
- 57-67 Temp **Sender** with Thumb Tack like terminal 1148114 21.00
- 68-71 **Sender** with Rod like terminal 1148116 19.95
- 72-78 **Sender** with Bayonet terminal 1148118 19.95

Delco Temperature Senders

- U 56-78 Temperature **Sender** with "Thumb Tack" style terminal on top. Repl for 56, 68-78 1148097 15.25
- V 70-73 TCS Water Temperature **Sender** with 2 Bayonet style terminals on top screws into the LH cylinder head of 70-71 models & RH cylinder head of 72-73. **Delco** TCS = Transmission Spark Control. 1148102 24.50

70-73 TCS **Wire Harness** with factory style plastic gang connector to mounts to the 90 degree angled terminals on the top of the TCS switch. 2515291 19.50

>>>> TCS Trans Switches & Solenoids **see Page 82**

- W 79-80 Temperature **Sender Delco** 1148106 0.00
- X 81-89 Temperature **Sender Delco** 1148108 62.90
